## Dear Parents/Caregivers

Congratulations to our team of sixteen students who competed in the North Zone cross country this week. Ryan Ure, Johan Shotbolt, Emily Lokman, Talia Paton and Jeremiah Paton all qualified to attend the Otago Primary and Intermediate School Cross Country later this term. To qualify a student must finish in the top ten of their year level race.

The Ukulele Jam was a fun and successful event for our group of nineteen students who participated. They joined with 500 students from around the city to play and sing songs with the Jam Band.

Excitement is building for our school production of Peter Pan. The flier is now available and we hope you are able to invite extended family and friends to enjoy our entertaining and light-hearted show. We last performed Peter Pan in 2010 with seventy-two students on our roll, and it was a great success. We look forward to seeing what our current students will bring to the performance.

## CHRISTIAN EDUCATION – thinking about Drama

With our school production coming up it is timely to reflect and think about what we do and believe about the Arts at LCS. For our annual school-wide production we generally follow a pattern of balancing imaginative fairy tales with Biblical narratives alternative years.

Whether we are enjoying the imaginative and creative gifts or retelling a Bible story, we aim to give thanks and praise to God through the experience. We hope you will enjoy the gift the children present to you through the story of Peter Pan later this term.

### Beliefs About Teaching The Arts:

The arts are powerful forms of expression, given by God. Through Drama, Dance, Music and Visual Art, students at Liberton Christian School are encouraged to use the arts to communicate to God and their neighbours. Art is an important part of life and culture, and students are taught to appreciate the power of expression in shaping people and their values. Through the arts children are encouraged and given opportunities to communicate through creative action and response; their senses, imagination, thinking, feelings and talents in an environment where they can confidently create, notice, enjoy, evaluate, and respond to all aspects of God's creation.

**The ARTS at LCS provides students with opportunities and experiences to develop the knowledge and skills that will enable them to (at an appropriate level of interest and understanding):**

- Stimulate creative action
- Respond by engaging and connecting - thinking, imagination, senses and feelings
- Express and interpret ideas within creative, aesthetic, and technological frameworks
- Work both independently and collaboratively to construct meanings and produce works
- Respond to and value others' contributions
- Develop art literacies as creators, presenters, viewers and listeners
- Participate in, interpret, value and enjoy the arts now, and throughout their lives

### Wheelie Shoes

We would prefer not to have wheelie shoes being worn during the school day as they can cause accidents during PE classes and in the playground. Please remove the wheels for school hours or provide alternative suitable shoes. Wheelie shoes are welcome to be used after school when there are less children using the grounds.

## Food Allergy Awareness

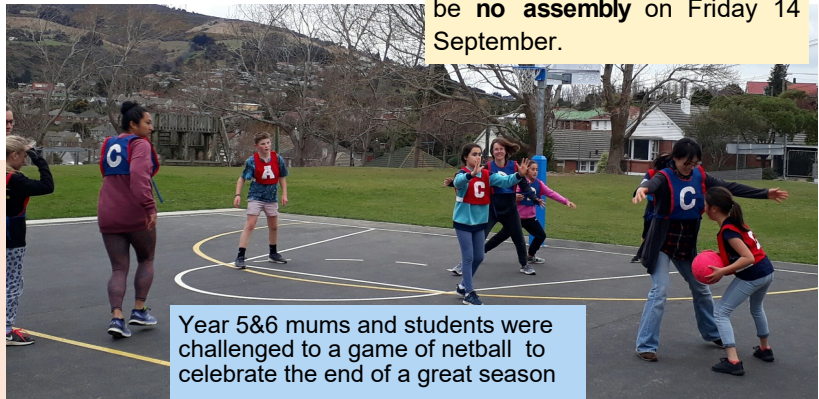

We are a nut free school. This includes peanuts and all tree nuts and related products, eg: peanut butter.

Currently we also have children enrolled who are dairy and/or gluten free. In addition, we have children who have a range of other food allergies or sensitivities.

Please regularly remind children not to share their daily morning tea and lunch food at school.

### School Assemblies

Most Fridays at 2.30pm we hold a school assembly for parents and friends of the school to see and share in a little of what we have been learning about during the week. This term there will be **no assembly** on Friday 14 September.

### Levi's Cartoon competition on HEIHEI TV

Levi (Room 2) has submitted a Knock Knock joke to children's on line TV channel HEIHEI. Levi won \$100 and his joke was selected to be turned into a cartoon, which is live on the website. If his cartoon gets the MOST views, Liberton Christian school, will win \$1,000.00!

You can find Levi's cartoon by going to the website

[www.thatsthestory.co.nz](http://www.thatsthestory.co.nz) click on the HEIHEI link on the home page, go to jokes, scroll down the page to episode 18. There are 4 months to get it as MANY views as possible!
