

Liberton Christian School Kiwihoops (Basketball Otago NZ) 2021

Dear Parents/Caregivers

This year we once again have the opportunity to play in the kiwihoops school competitions at the Edgar Sports Centre. We would like to gauge interest in the age groups to see what team or teams we may enter. Parental permission is required before a student will be confirmed in a team. Transport to games is the responsibility of parents. Subsidised fees this year are \$10 per student however this is not to be paid until teams have been registered. Players can purchase a school shirt at the office if they do not have one. Uniforms will be provided for Year 5-8 teams and will need to be cleaned and returned at the end of the season.
