Term 3 Week 6  
Friday 2 September 2022

Dear Parents and Whānau,

How wonderful to have the asphalt finally completed! It has taken a little longer than planned but we are very thankful for the much improved front area of the school. Once again we are grateful to our proprietor (DCSA) for the provision of funding and time to make our upgrade projects happen.

A number of our students participated in the World Vision Famine appeal during term 2. As a school we raised over \$3300 which will be used to support children and communities to have safe clean drinking water available. Thank you to all who contributed.

This week we commenced our term 3 swimming sessions. Swimming is an important part of the PE curriculum and we are thankful for all the support we receive from parents helping with the essential supervision in and around the pool.

Both basketball and netball seasons have now finished. There were many successes across the games and the children have really developed their skills and abilities. Special congratulations must go to the LCS Lakers, our Year 7&8 mixed basketball team who made it to the finals. They played the Arthur Street School team who had not suffered a loss all season. After an incredibly fast and thrilling game, the final score was 37-29 against the LCS Lakers. Our team can be proud of playing their best game and holding a very successful opposition to such a small margin. Their coach Mr Kupenga was very proud of how they played and conducted themselves over the season.

*Winter sports coaches and managers: we would like to thank you at the week 9 assembly being held on Friday 23 September. Please attend if you can.*

Blessings in Christ,  
Ngā mihi nui | Warm regards
